Applying for the Position of <POSITIONTITLE>

Dear Mr/Mrs **Personal**,

I have come across your job vacancy on the **www.monstor.co.uk** and I would like to be considered for the position of **PositionTitle**

As you will see from my CV, I am currently working for **Mercedes Benz Research and Development, Bangalore, India** as the **Senior Technical Lead**. In my present position I am responsible for **Developing Real Time HiL Test Automation and ECU Testing**. I have worked closely with Multiple Powertrain ECU SW Function Departments and have been able to support them with Automation Tests in HiL Environment.

I would like to be considered for the position of **PositionTitle**, as I believe I possess the appropriate ECU SW and Test Development skills. In the Last 8 years of my Professional Experience, I have been instrumental in various ECU SW and Test Automation Projects. Throughout the career, I have been fortunate to be the recipient of multiple accolades. Most recently the **Star Performer of the Year (2017)** from **Mercedes**.

I have ability to maintain the highest standards and I feel that I would be able to make a positive contribution to the results of your organization.

Yours Sincerely,

Vishnu Vasan Nehru
